Reasons for Allowance

The following is an examiner’s statement of reasons for allowance: The art of record, considered alone or in combination, neither anticipates nor renders obvious a press for expressing liquid containing substances, in combination, as claimed in claims 1,27 and 28.

EP 0585596 A1 discloses a press for expressing liquid having a drainage element (8). This reference fails to disclose a plurality of drainage elements in an interior of a container, it fails to suggest the material of drainage element is of flexible or elastic material. Further, this

Art Unit: 3725

reference fails to disclose holding devices removably and *releasably* securing the drainage element to holding flanges disposed at the container.

EP 0145948 A1 discloses a press for expressing liquid having drainage elements (12). This reference fails to disclose support element disposed inside each of the drainage elements.

US 3,951,058, US 4,475,451 and US 5,752,438 discloses various draining system being mounted a pressing plate as a unitary assembly.

None of the above references, by themselves on in combination with other prior art cited, teaches the invention as claimed in claims 1 and 27-28.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jimmy T. Nguyen whose telephone number is (571) 272-4520. The examiner can normally be reached on Mon-Thur 8:00am - 6:30pm.
